3 EXPLANATION

4 The inclusion of this explanation does not constitute agreement with
5 the explanation's substance by the members of the general assembly.

6 This bill relates to entering a consent decree in juvenile
7 court.

8 The bill permits the juvenile court to enter a consent decree
9 that places a child in a group or family foster care setting if
10 the court determines such a placement is the least restrictive
11 option.

12 The bill also authorizes the department of human services to
13 pay for group or family foster care costs of a juvenile placed
14 in group or family foster care pursuant to a consent decree.

15 The bill specifies that a child's need for shelter placement
16 or for inpatient mental health or substance abuse treatment
17 does not preclude entry or continued execution of a consent
18 decree.

19 A consent decree is a court order entered after the filing
20 of a delinquency petition but prior to adjudication that is
21 an agreement between the juvenile court and the allegedly
22 delinquent child. If the child successfully completes the
23 terms and conditions of the consent decree, the original
24 delinquency petition cannot be reinstated against the child.
25 However, if the child does not successfully complete the terms
26 and conditions of the consent decree, the state can move
27 forward with the delinquency petition against the child.

28 The bill also makes numerous changes to Code section
29 232.46(1) to enhance the readability of subsection 1.

30 The bill is in response to State v. Iowa Dist. Court for
31 Warren County, 828 N.W. 607 (Iowa 2013).
